Trinity Lutheran Church

We recite it every Sunday morning but when was the last time you actually looked at the Apostles' Creed? There are some wild ideas in there which require close examination. With the advances in science over almost 2,000 years have we outgrown these primitive beliefs? NO! ABSOLUTELY NOT!

The Apostles' Creed is and always will be the foundation of our beliefs and faith. My challenge to you this month is to read it phrase by phrase and consider:

1. What do these words mean?
2. Do I believe them or do I have questions I should explore?
3. What teachings must I reject if I believe these words?
4. How have these words changed my beliefs and life?
5. What am I required to do if I believe these words?

Your church community can help you think through these important questions. Let me know if you have questions. Slip me a note during the Passing of the Peace, email me at JayWeygandt@gmail.com or write me a letter which can be given to me or mailed to 2140 Broadway St, Springfield, OH 45504. I will find you the answer or arrange a time to get together to talk and explore these things together.

I believe in God, the Father almighty,
Creator of heaven and earth.

I believe in Jesus Christ, his only Son, our Lord.

He was conceived by the power of the Holy Spirit
and born of the virgin Mary.

He suffered under Pontius Pilate,
was crucified, died, and was buried.

He descended into hell.

On the third day he rose again.

He ascended into heaven,
and is seated at the right hand of the Father.

He will come again to judge the living and the dead.

I believe in the Holy Spirit,
the holy catholic Church,
the communion of saints,
the forgiveness of sins,
the resurrection of the body,
and the life everlasting. Amen
